

Spreading Joy: ELC Delivers Teacher Appreciation Gifts to 111 Preschools

We decided. We divided. We delivered.

On Friday, May 12, 2023, every member of the Early Learning Coalition of Sarasota County, including our CEO and COO, as well as members of our board of directors swept across Sarasota County to hand-deliver gift bags to preschools in honor of Teacher Appreciation Week.

We divvied up the bags and delivered the goodies to 111 preschools, comprising all ELC contracted sites.

What's in the bags? Accessory kits to pair with the Kaplan lightboxes delivered as a surprise gift to each preschool the previous week. We also attached individual notes of gratitude in each bag.

The surprise element morphed into pure joy when teachers acknowledged the value of the gift--a rare and unique addition to their classroom.

We hope our personalized gesture serves as a reflection of our admiration and an expression of our recognition that our early educators are respected, valued and appreciated.
